OVERVIEW

Opportunity for youth facilitators working with young people in the creative, digital and performing arts sector to

- Improve their understanding of the needs and opportunities for entrepreneurship education.
- Acquire the concrete knowledge and skills to embed entrepreneurship education in the ongoing work of your organisation with

COURSE AIM

The 5 -day course will equip participants with the knowledge and skills necessary to deliver, assess and evaluate a training and development intervention in the field of creative arts youth entrepreneurship.

At the end of the course the participant will be able to:

- Explain the role and competencies of a trainer
- Identify key factors in preparing for training delivery - trainer roles & competencies, training theories, learning styles specific to youth enterprise through arts target groups
- Develop effective learning objectives
- Demonstrate core skills required for effective delivery of training programmes (communication and presentation skills, creating an effective positive learning environment, managing classroom challenges, managing diversity within a training environment, training needs analysis, training design, as well as trainer facilitation skills to establish, promote and maintain a positive learning culture)
- Discuss the assessment of learning, identify a range of assessment tools and techniques, and devise an appropriate training assessment process
- Explain the purpose of training evaluation identifying a range of evaluation tools and techniques and applying evaluation effectively to propose key areas of improvement
- Utilise our Youth Enterprise through Arts course curriculum as the core content and training context across all above programme objectives.

The course will include modules as part of the UK Qualifications and Credit Framework (QCF) and the QQI (Quality & Qualifications Ireland) Level 6 component award.

Erasmus+

This project has been
funded with support from
the European Commission
