

Activity Name: Using Pinterest

Method: Group or Individual

Materials Needed: Access to the internet

What is it?

In this task you will choose a topic that you are interested in and will create a blog on Pinterest

Why do it?

This task will introduce you to the use of online tools to develop and share their creative skills

How to do it?

You will work either individually or in a team and you will work with the tutor to identify an area they are knowledgeable or skilled in and will start writing a blog on Pinterest.

You will need to decide on the style of your blog i.e. will it be a creative writing blog or one that is informational such as a how to guide
